Portable Landing Table

LT-3

The Giles LT-3 Portable Landing Table can help create all of the extra workspace you may need in the kitchen.

- Multi-functional, highly portable utility cart & fryer dump station combination.
- Convenient portable fryer dumping station for cooked product. Open-front holding pan for easy loading & unloading. Accommodates an 18" x 26" sheet pan with a provided glazing screen to aid product drainage.
- When needed, remove the holding pan to create an additional work table or cart to transport food service pans, soiled dishes, utensils, etc.
- Comes standard with either the removable middle shelf or removable side racks. The side racks can accommodate multiple full size sheet pans. The middle shelf or side racks, mount & lift off easily without the need for tools.
- Constructed of durable stainless steel with robust 4-1/2" swiveling casters for easy maneuverability. All wheels have brakes to create a stable workstation when needed.

Design Features

Middle Shelf

The easy to remove middle shelf is a standard option, perfect for adding extra space to the LT-3 or extending the LT-3's storage.

Part Number 79592

Side Racks

Removable side racks are a standard option. Side racks hold up to (6) sheet pans for added storage, making the LT-3 a must have for any food service operation.

Part Number 79588

Optional Tool Holder

Optional tool holder accessory easily mounts to the side of the LT-3, providing a convenient place to store cleaning brushes and other utensils.

Part Number 72088

Standard Items Included

- Full Size Holding Pan • Full Size Sheet Pan • Glazing Screen • Middle Shelf or Side Racks
