GILES GHM-C Heated Merchandisers are designed for attractively displaying a maximum number of your menu selections, keeping them fresh & at a safe serving temperature, while awaiting sale for your customer's enjoyment.

- Upper & lower independent controls regulate heat for each pan well ... features Calrod® bottom pan elements & top infrared ceramic heaters.
- Pan wells can be configured in practically an endless number of different layouts, utilizing *full, 1/2, 1/3 or 1/4-size* steam table pans ... will accommodate 2-1/2" to 4" deep pans. (**Pans & Pan Grates are NOT included**).
- Designed with flexibility in mind ... available with various service configurations to satisfy your needs ... full-service, full customer self-service, or combinations with a 2-ft self-service section at either end. Tile inserts (**sold separately**) can be used in self-service sections for presenting pre-packaged "grab-n-go" items.
- All stainless steel construction.
- Mirror-tint side glass & rear sliding doors provide an elegant appearance.
- Economical fluorescent lighting.
- Fold-down, polyethylene (HDPE) cutting board/work-shelf along entire width on attendant-side

Design Features

Top infrared ceramic heaters ensure foods are kept at optimum holding & serving temperature. Economical fluorescent lighting illuminates items for the perfect presentation.

Easy-to-use controls independently set the a lower & upper temperature for each pan well.

Curved European-style front glass maximizes product visibility.

Pneumatic struts provide just the right amount of assistance to easily open front glass ... then hold it open for easy cleaning.

Removable mirror-tinted side glass and rear sliding doors ... easy clean door tracks.

Standard Items Provided:

- Basic Pan Dividers • Adjustable legs • Folding Work-shelf/Cutting Board (attendant side)
- Sneeze Guard (self-service model only) • Power Cord Strain-Relief fitting

Service pans & pan grates are not provided
